With your assigned Call Number letter, go upstairs to either the 4th or 5th floor (see below) and pick out one book that looks interesting. Bring the book downstairs to complete the following exercise:

<table>
<thead>
<tr>
<th>4th Floor</th>
<th>5th Floor</th>
</tr>
</thead>
<tbody>
<tr>
<td>• A -- HB</td>
<td>• HC -- Z</td>
</tr>
</tbody>
</table>

Search the library’s website and try to find the record for your book. Once you’ve found the book record, click on the title of the book and answer the following questions:

1. Scroll down to find the library floor map.
   a. What is the stack location for this book?
   b. Is this book given an “East” or “West” designation?

2. Scroll down a bit more to “Details” to see more information about the book.
   a. What is the first Subject listed in the “Subjects” section:
   b. If there’s a Description of your book, what do you think this is describing:

3. Scroll down a bit more to “BROWSE” and describe what you think it is:

4. Scroll up to the top of the page and click on “CITATION”: Which styles are given?

Compare your results with your neighbor, and be prepared to share the results with the entire class!
Using the book record that you found in Argos, try to find a journal article or newspaper article on the same topic.

**Hint**

Click on one of the “Subjects” in the “Details” section
-or-
Try using keywords in the search box

1. What steps did you take to find a journal article or a newspaper article?

2. What other types of resources did you notice besides books and articles?

3. Were you able to open the article?

4. What are the similarities and differences between the book and article?

*Compare your results with your neighbor, and be prepared to share the results with the entire class!*
